

Seminar on “Legal Essentials of Construction Insurance”

(Co-organised with HKIE for CPD)

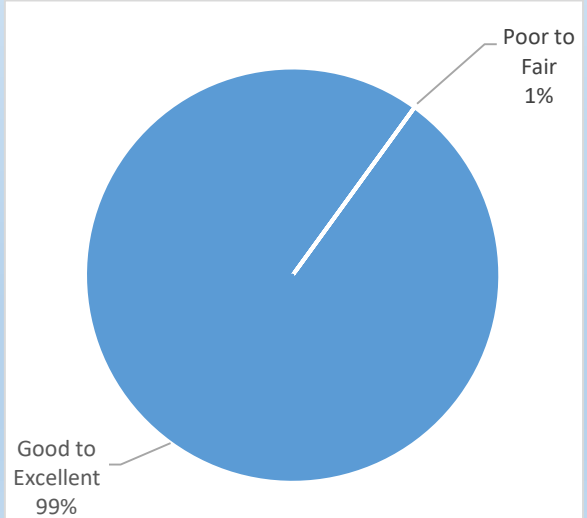

Successfully Held on 12 December 2018

Construction projects commonly use insurance as an important risk transfer tool that, hence, need the legal aspects to be properly understood. This seminar focuses on the key principles and legal issues of the legal side of construction insurance for those involved to know about. Completion of the seminar should provide participants to understand the concept of transferring risk and the use of insurance in construction projects.

The Seminar on “Legal Essentials of Construction Insurance” was successfully held on 12 December 2018. Feedbacks are very positive. The visiting lecturers were **Mr. Patrick Wan, Barrister-at-Law** and **Dr. Roger Wong, Barrister-at-Law**.
